Subject: Shoshone NF Supplemental EIS

Shoshone NF: on behalf of the Wild Sheep Foundation (WSF), please consider this email as a Notice of Objection on the Shoshone NF's Supplemental EIS (SEIS) on "Use of Domestic Sheep, Goats, and Pack Goats". WSF has been engaged in and has submitted written comments on the Shoshone NF's analysis, as well having long-term engagement with the North American Pack Goat Association (NAPGA), in trying to derive an acceptable path forward.

Please confirm receipt of this Notice of Objection; please add WSF to your contact list of objectors, and please provide WSF with notification of date/time/location for future "objection" discussions.

Sincerely, Kevin Hurley
